Subject line: **Flood Recovery Assistance from Efficiency Vermont**

Efficiency Vermont's team of engineers are offering technical assistance for businesses recovering from flooding. Contact Efficiency Vermont for technical assistance to discuss:

- Your business's electrical and mechanical needs
- What equipment qualifies for the flood recovery rebate
- What to do if you're moving locations
- How to mitigate future weather-related damage to your equipment

Businesses whose appliances or equipment were damaged by summer flooding can get assistance from Efficiency Vermont. You can [get an additional \\$1,000 rebate per eligible product](#), up to four products, in addition to Efficiency Vermont's standard offers. Get an additional \$1,000 back on qualifying:

- Heating & cooling equipment
- Refrigeration
- Commercial kitchen equipment

Additional rebates may be available.
